

## ***COACHES... SCHEDULE TEAM PHOTOS ASAP!***

**PLEASE CALL FOR AN APPOINTMENT 636-583-3042**

- **Coaches:** Please call as soon as possible to schedule your team's photo date. If you call within 30 days of draw night, you'll receive a complimentary 5x7 team 'silly' photo showing your team having fun together. Remember there are many teams to photograph, so call early before appointment nights fill up.
- A complimentary 5x7 team photo will be given to the League President for your sponsor's plaque. Most sponsors proudly display your team photo in their place of business, so be sure the majority of your team will be available when your photos are scheduled. It's a good idea to reschedule if more than two players will be absent from the team photo.
- Allow 40 minutes for team and individual photos.
- Schedule photos during a practice time or at the beginning of the season as soon as you have team shirts. Individual player photos are taken first, followed by the team photo. Players should bring their own ball & gear to include in the photos. A few team sponsors provide a sign or banner to include in the group photo. Please let us know when you make your appointment if your sponsor has a banner or sign to include.
- Photos will be taken in a shady area, whenever possible, so players are not looking into the sun and squinting. When we photograph teams, we try to arrange the group in a unique way, hopefully making each team grouping different. We take a little longer to set up the group photo but feel the end result is a creative grouping with good expressions. Thanks in advance for your patience!
- Hand out photo order envelopes two weeks before your team's appointment. Remind parents their child needs to bring the completed envelope and payment when photos are taken. Individual players will be given several options for their individual pose or if they have an idea, that's okay too. Samples of photo sizes and products will be on display when photos are taken. Photo orders must be paid in full on the day photos are taken. We will photograph a player that forgets their order envelope & payment, but we will not order their photos until we receive payment.
- When we are scheduled to take your team photos, we ask that all coaches and parents refrain from taking photos of the players or team as a courtesy to Wright Photography. We are hired to take the photos and do not feel it is fair for others to 'copy' our photo set-ups. This has resulted in decreased photo sales and therefore a need to increase prices.
- It's very important to make a reminder call to each player on the day your photos are scheduled. Remind them of time of appointment and to bring envelope. If a player is running late, we can wait an extra 5-10 minutes, but no longer.
- Photos will be ready in approximately 2-3 weeks. We will call whoever made your team's photo appointment, so they can arrange a time to pickup photos.
